## 1. INTRODUCTION

---

### 1.1 WELCOME

Welcome on MARMA 31<sup>st</sup> Rally Rzeszów. We prepared for you Rally Guide which, we hope, will be an usable publication. You can find here specific, basic information concerning rally, rally process, event organizing and safety. Everything, what is important for competitors, crews, teams, journalists, spectators, officials and visitors we try to comprehend in this Rally Guide. This publication is not a part of Rally Supplementary Regulations, doesn't replace it, neither completes it.

### 1.2 ROUTE

Rally Rzeszów's history might date back to 1970. Eleven special stages, with a total length of almost 152 km, are waiting for drivers planning to take part in Rally Rzeszów. A regular on the Polish national championship calendar, Rally Rzeszów takes place on narrow, winding sealed-surface roads in the foothills of the Carpathian Mountains in southeast Poland with steep climbs and tricky descents commonplace. The route has been slightly changed compared to last year's edition and will run for a total distance of 500 km. Some of the special stages are modified or completely new.

The ceremonial start will take place on Thursday, 4 August 2022 at 20:00 on the Millenium Hall Square in Rzeszów.

Five stages, including Special Stage Rzeszów, located at the centre of the city, with a total length of 72 km, will be held on Friday, 5 August 2022. On Saturday, 6 August 2022, drivers will tackle six special stages with a length of 80 kilometers. The finish of the rally will be on the charming Town Square of Rzeszów. The rally office will be located in the Hotel Hilton Garden Inn in Rzeszów, al. Kopisto 1, three kilometers from the Service Park, which will be situated in Rzeszów University of Technology Campus - Rzeszów, ul. Akademicka.

If you are entitled to health care under EEA rules on coordination of social security systems, during a temporary stay in Poland you are entitled to receive free health care services, necessary on medical grounds, from health care providers who have concluded contracts for health services with the National Health Fund (in Polish NFZ). Facilities of these health care providers are marked with the logo of the NFZ:

If you want to get treatment by a general practitioner, you have to go to a doctor who has a contract with the NFZ and show your European Health Insurance Card (EHIC, in Polish EKUZ) or a replacement certificate. Primary health care comprises examination and consultation by a general practitioner. A doctor may also refer you to diagnostic tests, to a specialist or to a hospital.

Dispensaries are open from Monday to Friday, from 8 a.m. to 6 p.m. After 6 p.m. on workdays, as well as on Saturdays, Sundays and on holidays 24-hour-care is provided by Wojewódzka Stacja Pogotowia Ratunkowego (ambulance service, dialing 999 or 112) and health units which have concluded contracts for this kind of services (see list below). If you want to get treatment by a dentist you have to contact with a dentist who has a contract with the NFZ and show your European Health Insurance Card (EHIC) or a replacement certificate. Free dental services are available only in the restricted scope. A list of free services and materials is available in the dentist surgery. In case of necessity of hospital treatment you need a doctor's referral. In case of a sudden illness, accident, injury, intoxication or life threat you will receive necessary medical benefits without a referral. Go to a hospital which has a contract with the NFZ and show your European Health Insurance Card (EHIC) or a replacement certificate. During stay in a hospital operations, diagnostic tests and medicines are provided free of charge.
